

CARAVAN SALON 2019: Special Show "Caravanning Sports"

At the CARAVAN SALON from 31 August to 8 September 2019 (trade visitor day on 30 August), visitors can once again look forward to various activities and new themes. The special show "Caravanning Sports" will celebrate its premiere on the outdoor space. Here, vehicles will be presented that are particularly suitable for combining sporting activities with a holiday on four wheels.

Most motorhomes or caravans offer sufficient space to accommodate sports equipment or bicycles. But many manufacturers also offer special recreational vehicles that are perfect for sports enthusiasts or explicitly designed for active holidaymakers. "Caravanning is the ideal form of holidaymaking for active people and adventurers. We would like to show visitors here how versatile leisure vehicles can be for sporting activities, be it water sports, cycling, hiking, winter sports, golf or other fun and action hobbies," says CARAVAN SALON Director Stefan Koschke.

Motorhomes and caravans are ideal for transporting active leisure lovers' gear – from motorcycles, bicycles and surfboards to trendy sports equipment. In the "Caravanning Sports" segment, various manufacturers will be presenting their ideas on the optimum use of storage space in vehicles and garages, showcasing carrier systems, individual furniture concepts, smart interior designs and sporty designs, and they will, of course, also be bringing their special sports vehicle models to Düsseldorf.
